*A Prayer  
for you is said today,  
"May the love of God  
ever with you stay.  
Wherever you are  
whatever you do,  
May the blessing of  
God ever rest on you.  
And in the years that  
are still to come,  
May the peace of God  
be in your home  
And God's great love  
abide with you."*

## From our Interim Minister

**Dear friends,**

*'Be strong and courageous. Do not be afraid, do not be discouraged, for the Lord your God will be with you wherever you go' (Joshua 1: 9)*

I wish you all a very happy and hopeful New Year!

As we are all well aware, we enter 2021 in very unusual and difficult circumstances. We hope that the relief we felt just a few weeks ago when we welcomed the news of a successful vaccine and the beginning of the vaccination programme will prove to be well-founded in the weeks to come. But, sadly, that good news was rather swiftly followed by the bad news of rapidly rising infections, a drastically curtailed Christmas and new restrictions under Level Four requirements.

All of this will have consequences for our congregational life, and I have said something about that elsewhere in this magazine.

But these are as nothing compared with the impact all of this is having on us as a society and as human beings. Livelihoods and lives are being lost; our health care services are under pressure; isolation and loss of social contact are taking their toll; we are missing fellowship and singing at church. And so much more besides.

And yet, at the beginning of every year, none of us can tell what lies

ahead of us, whether good or bad. Surely none of us could have foreseen what the year 2020 would hold.

And there is hope; hope that the now unrolling vaccination programme will be effective in containing and controlling the virus; hope that ever more effective means of treating COVID-19 will emerge; hope that this pandemic will pass just as past pandemics did.

But there is the still greater and more significant hope that we as Christians have. A hope that sustains us whatever this year may bring. We know the One who has gone before us into this year, the One who walks with us through it, the One who has promised never to leave us as we journey.

In all the joys and victories that lie ahead in 2021, he will be with us. In any difficulties or sadnesses we may face in 2021, he will be with us.

He will be with us just as he was with Joshua.

So let us be strong and courageous. Let us not be afraid or discouraged. The Lord our God is with us wherever we go.

May God bless you richly in 2021, and may you know his promised presence on the way.

Your friend and Interim Minister

## Forthcoming Services

It is difficult to be certain as to when we will be able to have our next service in the church building. We are presently facing some of the most stringent restrictions that have been imposed on gathering and movement since the early days of lockdown in March and April.

We will continue to carefully monitor the Scottish Government's announcements and we will be in receipt of the Church of Scotland's constantly updated guidance which we will follow closely.

Meanwhile, the service themes and readings will be as follows whether or not the services are online or in the church building. What is certain is that services on 3<sup>rd</sup> and 10<sup>th</sup> will be online and not in the building.

### 3<sup>rd</sup> January CHRISTMAS 2

'Perspective' Luke 2: 22-40

*The sermon will be provided by the Moderator, Rt Revd Dr Martin Fair*

### 10<sup>th</sup> January EPIPHANY 1

'Baptised' Mark 1: 4-11

### 17<sup>th</sup> January EPIPHANY 2

'Follow me 1' John 1:43-51

### 24<sup>th</sup> January EPIPHANY 3

'Follow me 2' Mark 1: 14-20

### 31<sup>st</sup> January EPIPHANY 4

'With authority' Mark 1: 21-28

### 7<sup>th</sup> February EPIPHANY 5

'Healing the sick' Mark 1: 29-39

## Level Four Restrictions

As you read this, the whole of Scotland is continuing under Level Four restrictions. At the time of writing this will continue to be the case for at least the first half of January and possibly for longer. In addition, there are some indications that further restrictions will be added to the existing Level Four provisions.

At the moment the Scottish Government and the Church of Scotland guidance has implications for us as a congregation and it may well be that more limitations will be announced that will affect church life.

**Pastoral Care** can not be offered 'in person' or in another's home (or Care Home or hospital) except in the most extreme of circumstances and even then only where this cannot be effectively undertaken via internet or phone.

**Church Services** will remain online only until further guidance is given and the Kirk Session is able to decide future plans. (While it is allowed for worship to continue in church during this period numbers are even further restricted to no more than 20. When this was last the case, the Kirk Session decided then that we would worship online only. The Kirk Session will re-consider this matter when they meet in January).

**Church Meetings and Groups** remain closed and the building unavailable for use except in the most limited of circumstances (eg Food Bank and Club 170 which are specifically allowed).

**Interim Ministry Aims and Objectives** we will try to take forward as best as we can by use of phone, internet etc. until such time as face to face meetings are permitted.

### MONDAY EVENING BIBLE STUDY.

After a short break over Christmas and New Year, our meetings will resume courtesy of Zoom on Monday 11<sup>th</sup> January at 7.30pm. Since the cessation of meetings within the church building in March we have been very grateful to Jo Gibb for arranging the necessary “Zoom” technology which has enabled us to continue with these “virtual” meetings and although some of our previously faithful members who do not have access to Zoom have not been able to participate, we have together worked our way through 1<sup>st</sup> and 2nd Timothy (looking at the issues related to church leadership) in the spring and early summer, and the Book of Daniel (thinking about the difficulties of being in exile-just as we are in “exile” from our building) in the autumn and early winter.

Our next series will tackle the Gospel of Luke following on from the Christmas story. It would be a great source of encouragement to have some new participants so if you are interested in learning a little more of the early ministry of Jesus and what it means for us today, all you have to do is pass on your email address to Jo and he will include in the Zoom link. We’d love to have you with us every second Monday for just over an hour!

### CLUB 170

As we approached the end of 2020 it felt that we had just packed away Christmas from 2019 into the club 170 cupboard, when it was time to get it all back out for 2020!

On Sunday 20th December at the club we gave out the usual weekly food bags along with Christmas gift bag, and the ever welcome vouchers for the chip shop to be used over the 2 weeks we are closed.

The bags had the usual parcel of socks, hat and gloves, a parcel of toiletries, a Christmas cracker, packet of chocolate bars, text card, church Christmas card and this year following a great suggestion from Alasdair we included a face mask and a bottle of hand sanitiser. The bags, along with hot drinks, were all well received by the visitors who came along that day.

The club will reopen, all being allowed, on Sunday 10th January.

As always we are so very grateful to those of you who have provided food, donated money, upheld the club in prayer and to those who have been able to come along throughout these challenging months and help Sunday by Sunday. Thank you all.

Our hopes and prayers are that 2021 will truly bring a way out of this worrying and very testing situation and we hold close the hope that we might be back serving cups of soup and rolls with sausage. *B.R.*

## **Appreciation and thanks**

As we begin a new year it seems an appropriate time to once again acknowledge and give thanks for all the continuing dedication which has provided so much for our congregation and beyond, throughout what has been a very challenging year.

It's a bit like running a home, no matter what is happening around, there are so many jobs need to continue. In Queen's Park Govanhill we are most blessed to have so many members who are so dedicated in using their skills to keep the purpose of our congregation alive. It can be tricky to list thanks for fear of missing out but I go ahead and list with the best of intention:

*A huge amount of time is needed communicating for church business and for organising all the following*

- Financial matters, banking and paying bills continue*
- Maintenance and security of our buildings demand regular time*
- Weekly updates and other communications are written by email*
- Thoughts for the day requiring thought, time and commitment*
- Keeping in touch regularly with Pathfinders delivering crafts, activities and treats!!*
- Regular Bible study requiring thought, effort and time*
- Zoom choir practices using musical skills and personal effort*
- Online worship dependent on contributions and time from our organist, our minister, choir, Pathfinder leaders, members reading and leading prayer and our technical expert putting it altogether.*
- Live worship including all for online services along with booking lists, preparation of sanctuary in line with restrictions, additional technical challenges and the frustrations of technology!!*
- Preparation and presenting special Christmas services*
- Magazine editing, printing and distributing*
- Arranging for flowers to be sent to members for different occasions*
- Foodbank and Club 170 – requiring donations, time, effort and dedication of teams each week*
- Continuing communications with one another through phone calls, texts and cards.*
- Prayer – the one we can all do.*

These are things I am aware of going on but I am sure there are many more which I'm not aware of but which are very much valued along with all of these. Much of this list comes to us as a completed item but all have so much going on to get to the point of presenting it to us and that is where the dedication and skill is.

I am sure that my thanks to our minister and all our congregation for being there throughout these many months, will be echoed by many others. Thank you all. Keep safe, keep strong, keep faith and keep looking forward to being together again. **Betty Roberts**

# Thank you

2020 is a year than none of us will ever forget. Our lives were halted, or taken, and our whole way of living changed and was put on hold.

On 3<sup>rd</sup> January 2016 the folk from Daisy Street (Govanhill Trinity Church) attended their first Service at Queen’s Park Govanhill Church. A little bit like 2020, our lives were changed with the closure of our Church and the uncertainty of what lay ahead. But we did not need to worry. On stepping into the Welcome Hall that day we were indeed made “Welcome” and Morag was first in the queue to snatch us up for Hospitality, and others fell in quickly after that.

I know I can say, on behalf of the Daisy Street folk, we thank those at 170 for the welcome we received, not only then, but the friendships formed and kindnesses shown throughout those past 5 years. None more so than during this year, when in Lockdown and our spirits were low, true Christian friendship was extended.

So, as we look back on the Pandemic, we feel blessed to have had our Union with Queen’s Park, and give thanks it has been so fulfilling. We look forward to when we can be with our Church family in 2021.

*Linda*

### WAY IN....to Exodus 1-6

These passages show pain, discomfort, uncertainty – but they also show a God who loves his people, who is hugely powerful, holy and in control and who will ultimately have the victory. It encourages readers to fix their gaze on God alone and hold firm to his promises.

During Joseph’s time in Egypt, the Israelites had prospered. But, in Exodus, there is a new king who did not seek to honour God but instead to oppress the Israelites.

Moses is a key character in these readings. He is imperfect and flawed – but God uses him. These chapters are, in part, a lengthy conversation between Moses and God. How amazing that God would speak to Moses in such a way and get to know him personally, offering reassuring words and signs of encouragement.

**I said to the man  
who stood at the gate of the Year:  
“Give me a light  
that I may tread safely  
into the unknown.”  
And he replied:  
“Go out into the darkness  
and put your hand into the hand of God.  
That shall be to you better than light,  
and safer than a known way.  
May that almighty hand guide  
and uphold us all.” ’**

A Dundee Sheriff Court was hearing a case involving a fracas outside a Chinese takeaway. Part of the evidence related to an item of nourishment which had been purchased from the takeaway. "and what happened to the carry-out food?" the defence lawyer asked. "A' e' i' a'. Thus becoming, possibly, the first witness in a courtroom to utter a full sentence without a consonant.

A lady minister was replying to a particularly sexist Toast to the Lassies at a Burns Supper by saying that men were not as romantic as they had been in Rabbie's day. "I received an obscene telephone call last week and even he needed a lot of prompting."

The cruellest jibe about the good citizens of Cumbernauld is that when there is an escape from the State Mental Hospital at Carstairs the police immediately throw a cordon around Cumbernauld "If they get into Cumbernauld we'll never find them," a police spokesman said.

SIGN in Ayrshire pub: 'Welcome — A Pint, a Pie, and a Kind Word.' A visitor duly followed the suggestion on the sign. The barmaid slammed his pint in front of him without a word. She was equally taciturn when she dumped an extremely greasy and aged pie on the bar.

'What about the kind word?' he asked. 'Don't eat the pie,' she retorted.

## HOW OTHER CHRISTIANS HAVE TO LIVE

### NIGERIA

Christians in Nigeria have been suffering terribly during December. Here are just some of the atrocities they have had to face.

Church leaders have been abducted as farming communities in Kaduna state are experiencing renewed violence and abductions by armed assailants of Fulani ethnicity.

**On 24 December**, Mrs Jumai Luka, the wife of Rev Luka Shaho of Assemblies of God Church in Ungwan Waziri, was abducted by armed men who had beaten her husband “mercilessly.”

**On 21 December**, Reverend Thomas James of Godiya Baptist Church Gwazunu was abducted following an attack by over 100 well-armed men on the Gwazunu community in Gwagwada, Chikun LGA.

**On 19 December**, Rev Luka Dani of the Evangelical Church Winning All (ECWA) was abducted following an attack on the Galumi community in Gwagwada, Chikun LGA.

**Reports emerged on 23 December** of the death of Pastor Kabiru Babangida, a convert to Christianity from Islam who worked in remote villages in the north western states of Kebbi and Niger. The pastor was abducted and hacked to death by assailants who had initially demanded N4 million in ransom, before raising the amount to N10 million, then switching off their phones. Villagers subsequently decided to search for the

pastor and eventually found his bound and mutilated corpse. The pastor is survived by his wife and two children, as well as by his parents and siblings who had disowned him due to his conversion.

**On 2 December**, Fulani assailants stormed the prayer retreat of the Christ Apostolic Church (CAC) near Abeokuta in Ogun state at around 1 am, stealing cash, phones, and other valuables from the worshipers. Several pastors and worshipers were attacked with machetes, and three women were abducted for ransom, including the wife of a senior pastor.

***“More must be done to address Nigeria’s security vacuum, to stem the staggering loss of life across the nation, and to assist, compensate and rehabilitate victims of violence. There is a pressing need for an overhaul of the entire security structure, including with regards to intelligence gathering, coordinating action between the security services, and equipping troops in a manner commensurate with terrain and challenges. A holistic security strategy must be formulated as a matter of urgency, given the increasing links between what may have initially appeared to be disparate sources of violence.”***

This is only one country where Christians are suffering persecution for their Lord. Please pray for them and for all who are in similar circumstances in virtually every country of the world.

## GIVINGS FOR OTHERS

It is a source of amazement to the Finance Team to constantly see and experience the generosity of members of Queen's Park Govanhill.

Not only do you remember and regularly update your givings to our Church to maintain its fabric and pay our bills but you respond unstintingly to appeals to help others in need of our assistance.

Despite all the deprivations we have suffered in 2020 you have answered a large number of calls from charities most of whom are suffering a significant reduction in their income because of Covid-19 restrictions.

In November, on one of the rare occasions the church service was in the building in the last 9 months, £175 was collected for Poppy Scotland. Since they were not able to collect in the streets and shops this year, this donation was greatly appreciated.

Dewar sent out an appeal from the Lodging House Mission which appeared in the November Mag and a magnificent £1,080 has been sent to their bank account this year. Not to mention finance raised from all those who bought LHM Christmas Cards directly from the Mission.

In the December Mag there was an appeal to help children in Zimbabwe who were dying of starvation. The fact that this atrocity was happening in 2020 in a world of plenty obviously struck a chord with many of you and to date we have collected £1,355 which

we hope to have sent off by the time you read this magazine. This very generous amount will feed 1,305 children over 7 years of age for one week or 2,610 children under 7 years for the same time.

Robin House at Balloch and Church House in Bridgeton and Mary's Meals have also been in your thoughts and you have donated generously for them.

But you have not forgotten charities and needs closer to home. Club 170 is a regular recipient of your gifts of food and finance as you will see from Betty's article on page 5 of this Mag and this allows the Team to carry on this great work of feeding many which unfortunately is still so much needed in our city

And the Foodbank is also the beneficiary of many of you as you have donated just under £500 since October so enabling them to do a similar job to Club 170 in catering for the needs of those who stay close to us but who do not have enough to survive without help.

All this and more. The Leprosy Mission, Starchild, Scottish Bible Society, Barnabas Fund and others have all benefited from your largesse in 2020.

On behalf of them all—
